

How to get to Sue and Shane's (Kerry Farm)

From Regina, take the turnoff to Highway 10 to Fort Qu'Appelle just past Balgonie.

From Fort Qu'Appelle, continue on Highway 10 until you reach Balcarres.

At Balcarres, you have 2 choices:

1. The Grid Road Route (Prettier)

At Balcarres, turn right onto **Grid Road 619** (opposite the large welded lily and sunflower). Travel **south on Grid 619** past the Powerline Road to **Stone Church Road** (approximately 6.7 kilometres). Turn **left on Stone Church Road** and travel 5.5 kilometres (past the Stone Church from which you can see our farm) to our farm on the right hand side of the road.. There are 2 driveways. Either is fine.

2. The Highway and Some (but less) Grid Road Route

At Balcarres, continue travelling 8.4 kilometers until **the junction of Hwy 22** which leads to Abernethy and Motherwell Homestead N.H.S.

Turn **right on Hwy 22**, travelling @ 6.4 kms and passing Abernethy. The highway will curve east **past Abernethy...do not stay on Hwy 22, but go straight onto the Grid Road that leads to the Motherwell Homestead.**

One nanosecond after you go onto this grid road, **turn right onto the Stone Church Road** and travel 2.7 km to **our farm** which is the first farm on the left hand side of the road.
